# WATER SAFETY WEEK

**Monday 2nd—Sunday 8th December**

Water Safety is the reason we are here, or the main reason we should be. Term 4 is always our busiest and its great to see so many kids gaining confidence and safety skills in the water before the summer holidays come around and we see lots more swimming and exposure to water, particularly new environments like our Aussie beaches. Our dedicated WATER SAFETY WEEK will see afternoon lessons at the outdoor pool as well as some fun activities to create further awareness of water safety.

## DECEMBER OUTDOOR POOL LESSONS

Following on from water safety week, we are planning on running all afternoon lessons at the outdoor pool for the whole month of December-so the last 3 lessons. Further details will be provided later in the

term.
