Zeus Appollo Solar does not accept responsibility for and loss of data for any reason. All care will be taken however please ensure that sensitive and important data has been backed up before delivering equipment to our workshop.

All care is taken to ensure that any items returned to Zeus Appollo Solar are returned to the client, however all items must be clearly listed above and no responsibility can be taken for lost items if not listed on this form.

Zeus Appollo Solar reserves the right to repair or replace any goods under warranty at our discretion. An inspection will be made to ensure that the products has not been mistreated, abused or neglected. If serial numbers have been removed or tampered with, warranty on the product is void immediately.

Original purchase invoice issued by Zeus Appollo Solar and valid warranty card shall be provided by clients. Failure to provide proof of purchase will result in warranty claim being refused.

Zeus Appollo Solar has the right to refuse any reimbursement or service charge or compensation claimed by the client after any replacement.

Zeus Appollo reserves the right to charge the client for any missing parts of the products which are not returned and are replaced for warranty

Zeus Appollo will honour the warranty of all "Zeus Appollo' brand products provided the word "Zeus Appollo" can be identified and has not been tampered with.

Any items returned under warranty that conform to the correct specifications of the product and do not appear faulty as described by the client above will incur the "No Fault Found Fee".

Warranties are not transferable. As Zeus Appollo Solar is a wholesaler, we cannot provide end user support to clients who have purchased components from a reseller/installer. We strongly encourage end users to approach their reseller/installer for support.

All clients will receive a quotation on non-warranty service work prior to commencing. In the event that the client decides not to proceed with the quotation a "Standard Inspection Fee" will be charged for time rendered.
